1 DAY SEMINAR \$175 per student 8am-5pm

Police officers must know what the courts have deemed acceptable procedure in order to perform their duties in a constitutionally compliant manner in today’s modern policing. Throughout this course intended for Texas police officers, Instructor

Zach Miller will examine, review, and explain significant U.S. Supreme Court and Texas State Specific Case Law that is relevant to search and seizure. The goal of this course is to demonstrate how this case law can affect how police officers must perform their duties. Miller will teach students how to avoid evidence exclusion, increase convictions, and reduce civil liability, and he will share his own personal experiences of actively applying case law to his policing.
